About Us

Dr. Meera Asokan,
founder of Thrive Dental

THRIVE DENTAL was established to provide healthy and beautiful smiles for all ages and abilities.

Located on the ground floor with a dedicated drop-off area and spacious walkways, we are committed to providing accessible care for our rapidly growing ageing population.

We provide high-quality, personalized dentistry in our state-of-the-art facility to give you the smile you've always wanted.

Our mission is to raise awareness on the impact of oral health to overall health through preventive dentistry.

A perfect smile is timeless, which is why we offer a comprehensive selection of general and cosmetic dental services for patients of all ages, from pediatric dentistry to dental implants and dentures for the older adult.
